Log Modernization TTF

I&L has established a Transition Task Force (TTF) in order to conduct EFDS analysis and assist the EFDC in DOTMLPF implementation of Logistics Modernization (LM) initiatives

"The reality of Logistic Modernization…… Increased MAGTF lethality and operational reach"

Log Modernization TTF

- Formed July/August 2004; Located in Annex; co-locate with EFDC in late 2005
- 14 PAX; O-6/GS-15/9 Marines/3 Contractors
- Mission: **“Facilitate the institutionalization and implementation of Log Mod initiatives through a phased engagement of the EFDS”**
- Task: Champion Log Mod initiatives through EFDS UNS/DOTMLPF process
- All efforts must fully support future war fighting concepts; 2015 MEB
- Initial focus on GCSS-MC Block 1 implementation, then shape for future GCSS-MC Blocks
- Secondary msn of internal and external integration to I&L

Log Modernization TTF

- MCPP: mission analysis, COA's, execution
- Log Mod Integration Plan
  - Integration Matrix, Collaborative Software
- Bi-monthly Log Mod Integration Days
  - Co-sponsored by I&L and MCCDC
- Functional WIPTs
  - C2, Maintenance, Supply, Distribution, Training/Education
- Team effort w/ PM, GCCS-MC SME's
- Partnership with EFDC

Log Modernization TTF

Log Modernization Initiatives

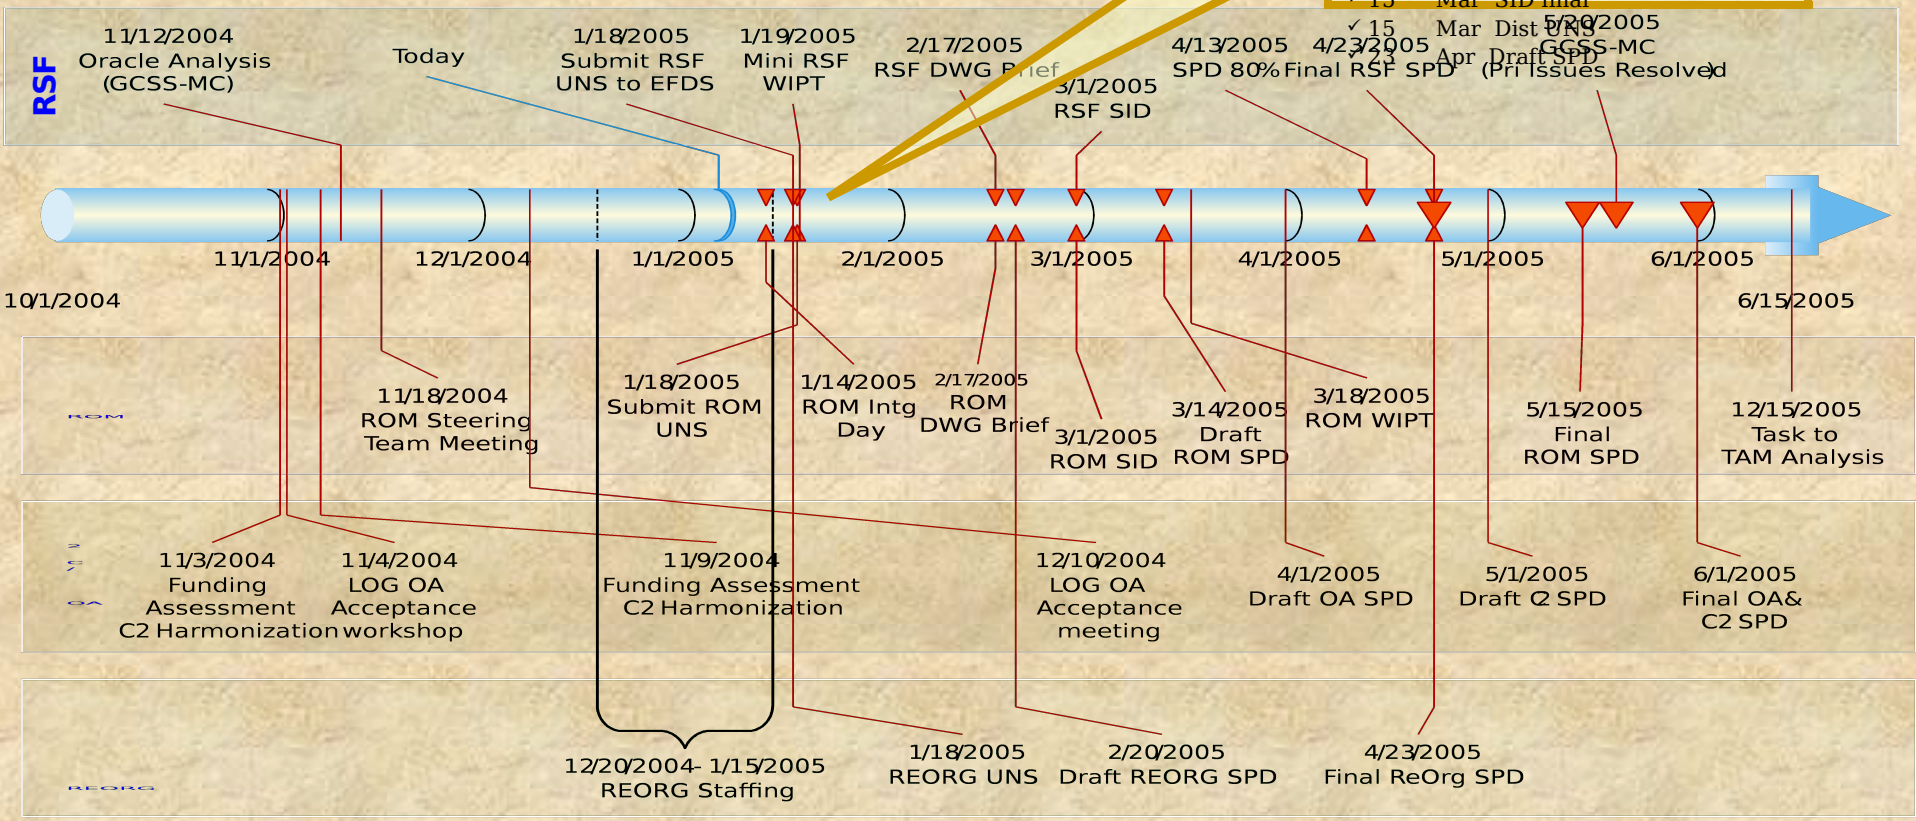
Road Ahead

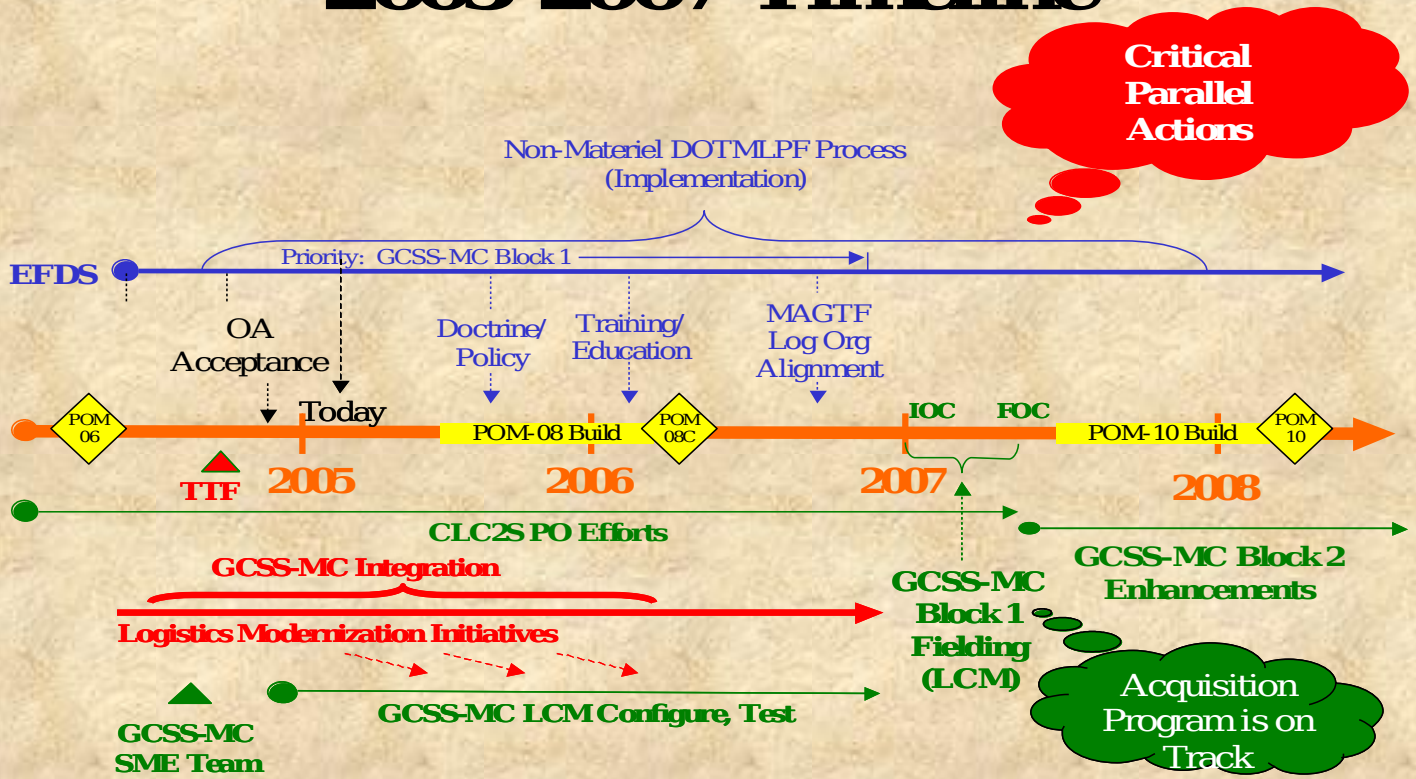
HIGHLIGHTS

- ✓ 18 Jan UNSs submitted (Reorg, RSF, ROM
- ✓ 18 Jan EG&G Contract Kickoff Mtg
- ✓ 19-21 Jan RSF WIPT
- ✓ 17 Feb DWG Briefs
- ✓ 1 Mar Integration Day
- ✓ 2 Mar Log Training & Education OAG
- ✓ 8-10 Mar ROM WIPT
- ✓ 1 Mar SID draft
- ✓ 15 Mar SID final
- ✓ 15 Mar Dist UNS
- 23 Apr Draft SPD



Road Ahead

2005-2007 Timeline



Key Takeaways

- We are now in the execution phase of Logistic Modernization

- TTF is the agent between the Advocate and MCCDC tasked with the expeditious vetting of the Logistic Modernization initiatives through the EFDC process and the ultimate implementation of them as reality in the Corps.
